Mind KNOWS

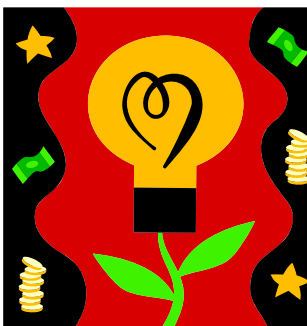

The Lord giveth wisdom: out of his mouth cometh knowledge and understanding Bible, Proverbs 2:6

God expresses in man the infinite idea forever developing itself, broadening and rising higher and higher from a boundless basis.

Mary Baker Eddy
Science & Health, p. 258

From "Intelligence, intuition, wisdom—they're yours for the taking"
by Judith Hedrick
Christian Science Sentinel, 8/27/01

"It's a mistake to believe that we create wisdom or intelligence, because doing so leaves God out of the picture. Intelligence comes from Him. And since intelligence is a quality of God, of the all-knowing Mind, it is unlimited, just as He is. Because you're made in the image of God, your intelligence isn't limited by any circumstance you find yourself in. You can expect to solve even the toughest problems with God's help."

and so do YOU !

From "Cultivating Intuition" by Geoffrey Barratt
Christian Science Journal, 12/1976

"God enjoys spontaneous cognition of all reality and identity; He is the source of all perception, the all-knowing and all-seeing Principle of the universe; God is Soul, the origin of all true feeling and individuality, for Soul is the substance of all."

Spirit, God, gathers unformed thoughts into their proper channels, and unfolds these thoughts, even as He opens the petals of a holy purpose in order that the purpose may appear.

Mary Baker Eddy
Science & Health, p. 506

From "The substance of an Idea"
by Barbara Holliday
Christian Science Journal, 12/1976

"Ideas are continuously unfolding in true consciousness. There is no insufficient supply of them. These ideas are more quickly seen by those who seek to de-materialize and spiritualize their thought. A way to increase their appearing is to identify oneself daily with the source of all wisdom and intelligence, the divine Mind, God."

Man is idea, the image, of Love; he is not physique. He is the compound idea of God, including all right ideas; ... that which has no separate mind from God; that which has not a single quality underived from Deity; that which possesses no life, intelligence, nor creative power of his own, but reflects spiritually all that belongs to his Maker.

Mary Baker Eddy
Science & Health, p. 475

**Let this mind
be in you,
which was also
in Christ Jesus.**
