Ideas from the Christian Science student Organization meeting

*

April 20, 2005

Based on ideas in *Science and Health with Key to the Scriptures* / www.spirituality.com

Inseparable from God!

Whatever is governed by God, is never for an instant deprived of the light and might of intelligence and Life.

Mary Baker Eddy
Science & Health, p. 215

"[Jesus] said: "I and my Father are one." ... Christ Jesus was explaining the source of the power he demonstrated. He never said that he was the source, but that his oneness with God made him inseparable from the source of all spiritual power in God. His understanding and demonstration of this oneness enabled him to walk on the water, heal the sick, and feed the multitudes."

From "Inseparable from God" by Robert F. Mello (Mindi's dad!)
Christian Science Sentinel, 2/15/75

Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? ...

Nay, in all these things we are more than conquerors through him that loved us.

For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come,

Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

Bible, Romans 8:35-39

ONE WITH LOVE

The God-principle is omnipresent and omnipotent. God is everywhere, and nothing apart from Him is present or has power.

Mary Baker Eddy
Science & Health, p. 437

Whither shall I go from thy spirit? or whither shall I flee from thy presence?

If I ascend up into heaven, thou art there: if I make my bed in hell, behold, thou art there.

If I take the wings of the morning, and dwell in the uttermost parts of the sea;

Even there shall thy hand lead me, and thy right hand shall hold me.

Bible, Psalms 139:7-10

. . . The next moment, I found myself out in the ocean. . . .

I was aware of feeling more fully awake, alive and rested than I ever had in my life. My concerns about living or dying vanished.

My entire being, my attention, my absolute consecrated focus was now on the real presence of God with me, and *nothing* else mattered. As I began to feel more appreciative and grateful than words can express—more loved, safe, alive, joyful, I asked: *God? Is that You? It must be You.* My thoughts were filled with life-affirming ideas.

The next thing I knew, I was pushed ashore. I landed a safe distance from the water's edge. Except for the spectacle of being covered in seaweed and sludge from the tankers and the polluted water, I was unharmed.

From "A near drowning drew me closer to God"
by Marjorie Moore
www.spirituality.com

There is no spot
where God is not!

[Sunday School!]

God, the divine Principle of man, and man in God's likeness are inseparable, harmonious, and eternal.

Mary Baker Eddy
Science & Health, p. 336

The belief that man has existence or mind separate from God is a dying error. This error Jesus met with divine Science and proved its nothingness.

Mary Baker Eddy
Science & Health, p. 42

Man is not God, but like a ray of light which comes from the sun, man, the outcome of God, reflects God.

Mary Baker Eddy
Science & Health, p. 250

Me and God?

We're
like

THAT!

In atmosphere of Love divine,
We live, and move, and breathe;
Though mortal eyes may see it not,
'Tis sense that would deceive.

Christian Science Hymnal, # 144

Christian Science student Organization - 315 N. Mills Street - 251-9452
